## **TERMS AND CONDITIONS**

### **Opening Times:**

Monday to Friday, term-time 3.15pm – 6.00pm (excluding Bank Holidays and INSET Days)

**Please note, it is the parent/carers responsibility to book their child's required sessions which will need to be done and paid for in advance. Bookings and payment will need to be made using your Scopay account. We accept childcare vouchers from a wide range of providers.**

**New Reception Children - Once your child has started at Carlisle Infant School, you will be given a 'Scopay Log In' and the booking of The Treehouse sessions can be done online. You will receive your log in code in September. Your child will not be able to start until they are in school full time and we have received a completed registration form.**

**Places will be allocated on a first come first served basis – the system will tell you if there are no places left. Please note the system is dependent on your account showing a credit balance before it will allow you to make a booking (unless you have a childcare voucher account). You will be able to make/amend bookings up until midnight before the required session.**

**Anybody requiring a place in The Treehouse for the first time will need to make sure they have registered their child first (application form to be completed and given to the school office) before they will be able to book any sessions. You will not see The Treehouse diary online unless the office has received and actioned your application form, we will confirm by email once your child has been set up on The Treehouse register.**

### **On arrival**

The reception children will be collected from their classroom and taken to The Treehouse provision. The remaining year groups will be directed by their class teacher to The Treehouse provision where a member of staff will welcome them, register them and ensure that they are settled. Children will remain in the care of The Treehouse staff until handed over to the collecting adult at the end of the session.

### **At the end of the session**

Children will be expected to be collected by 6.00pm **prompt**.

Any parent arriving after 6.00pm (for whatever reason) will be charged a flat £10 fee, and £5 for every 15 mins, or part of, on top of the late finish fee, if applicable. (i.e. 6.05 collection = £10, 6.16 collection = £20 and so on). The late collection charges will be automatically added to the account the next working day.

### **Absence**

It is vital to let The Treehouse Manager know if your child is going to miss a session that has been booked – please provide either a written note, phone or email. Persistent failure to notify of absence may result in your place being withdrawn.

### **Security**

Parents/carers are asked to enter and exit the site via the security gate at the front entrance to the school. Please do not allow multiple people to enter with you and ensure this gate is firmly shut behind you on entering/exiting the site. Anyone on site who is not known will be challenged and asked to leave. Please phone the school office number with details if someone else is collecting on your behalf. Siblings must be over 16 to collect or will be questioned by the staff to see if a parent/carer is available.

### **Fees:**

Fees may be paid via your Scopay account or by childcare vouchers. Failure to pay for fees may jeopardise your place(s).

Payment will be required for days of absence. Refunds / exchange of days cannot be made.

### MEDICINES

Although this is not compulsory, we have made the decision that we will administer prescribed medication to your child during The Treehouse hours if necessary. However, in order for us to do this the following strict procedures must be adhered to:

- All prescription medication **must** be handed, by an adult, to a member of staff who will ask you to complete and sign an 'Administering Medication in Schools Form'. A letter will not be accepted instead (forms are available from The Treehouse or School Office).
- An adult must collect medication from The Treehouse at the end of the day.
- If your child has a medically diagnosed condition which requires special or continuing consideration, or medically diagnosed allergy which may require treatment in school then parents must ensure to provide a detailed care plan which includes a current passport type photo of your child together with the appropriate medication.
- It remains the parent's responsibility to ensure that all necessary medications are supplied and within expiry dates.

I give permission for first aid to be administered to my child if necessary.

I give you permission to call a doctor / dentist / medical services for my child if necessary.

*Please keep us informed of any changes to the above information*

### **Exceptional circumstances**

In the event of exceptional circumstances (eg power outage/Health & Safety risk) your child will be transferred to the After School provision at the alternative site to allow for continuity of afterschool care (Treehouse children would be transferred to the Hub or Hub children will be transferred to the Treehouse). We will contact you as early as reasonably possible to advise you of this change so you can arrange for your child to be collected from the alternative site.

### **CODE OF BEHAVIOUR**

The Code of Behaviour for The Treehouse is simple and mirrors the high expectations within the Federation.

All the children will be aware of either The Golden Rules or Good to be Green codes of behaviour.

Everyone at The Treehouse is expected to: -

- Behave appropriately at all times to ensure their own and other peoples safety, security and happiness.
- Respect everyone at The Treehouse and their right to be happy and safe.
- Listen to everyone at The Treehouse and respond appropriately to them.
- Look after and respect the resources that are used.
- Praise good behaviour, work together and share, show courtesy and kindness and helpfulness.
- Any child who behaves inappropriately will be reprimanded and will have the opportunity to talk about the issues relating to and resulting from their behaviour.
- If poor behaviour is serious and/or persistent, parent/ carers will be informed either verbally or in writing and asked to meet with staff.
- Ultimately, if poor behaviour continues, or there is a particularly serious problem adversely affecting the Health and Safety and happiness of themselves or others, then the offer of a place The Treehouse will be removed.

## **SAFEGUARDING**

### **Pupil Safeguarding and Wellbeing**

The Federation is committed to safeguarding and promoting the wellbeing of children, young people and vulnerable people, and we expect the same commitment from all staff, parents and visitors.

All parents or other volunteers helping in school are required to complete forms allowing them to be checked by the Disclosure Barring Service. All parents and volunteers must sign in (and out) at reception and wear a visitor badge.

Every member of staff with the Federation recognises that they have an individual responsibility for referring child protection concerns. Staff will follow procedures within the Federation Child Protection Policy and the Richmond upon Thames LSCB Safeguarding guidance.

### **Notifying parents**

The Treehouse will normally seek to discuss any concerns about a child with their parents. This must be handled sensitively one of our designated Safeguarding Officers will make contact with the parent in the event of a concern, suspicion or disclosure.

However, if The Treehouse believes that notifying parents could increase the risk to the child or exacerbate the problem, then advice will first be sought from children's social care.

### **Referral to children's social care**

The Designated Safeguarding Officers will make a referral to children's social care if it is believed that a child is suffering or is at risk of suffering significant harm. The child (subject to their age and understanding) and the parents will be told that a referral is being made, unless to do so would increase the risk to the child.
